**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more internet providers so we are not stuck with monopolies. We need more local internet providers as they have better service and keep prices competitive for both my internet service and telephone line, in addition to me wanting to go with local options. While I am at it, we also need net neutrality back.
